### BUTT SLUT

*The night my boyfriend introduced me to the pleasures of backdoor bliss*

Six months ago I lay next to Ray, both of us temporarily drained from our lovemaking. We snuggled up to each other's warmth. I was on my side, my back and butt pressed against him, as Ray tenderly caressed my skin.

When I felt his dick growing, hardening against the back of my leg just below my ass, I knew we were going to fuck again. He ran his hand over the small of my back and down to the firmness of my ass, leaning forward to kiss and lick my shoulder blades and the sensitive back of my neck.

Moaning, I felt the stirrings of lust between my legs. I pressed my thighs together and tightened the muscles of my cunt in anticipation, my juices beginning to lubricate my most intimate spot. Whimpering faintly in erotic anticipation, I ground my ass against his cock, delighting in his hardness. He trailed his fingers down between the cheeks of my ass and felt along the crack, pressing up against my asshole.

"Ever tried it up the ass?" he asked, sidling closer.

Ray and I had such an honest relationship that I didn't have to fool around with one excuse about it being odd or not nice. I had been curious about having sex that way and I simply told him the truth, that I was afraid it would hurt. And that's why I never.

"You have a beautiful body, and such a lovely ass," he said, and planted a wet kiss on my shoulder. "I suppose it might hurt if someone tried to force it on

you," He kissed me again. "Or wasn't gentle with you, like I am." His lips caressed the side of my neck; tenderly planting kisses there. "You know I would never hurt you," he said as he gently nibbled on my neck.

"I want to do it to you," he said quietly. His hand went around my waist and traveled down through my pussy lips, stroking my pussy and massaging my clit. He soon had me moaning with delight and squirming back and forth.

Reaching around from behind, he continued to massage the hot sensitive area between my aching thighs, turning me on with his tantalizing foreplay. Joining his probing hand with my own, I half-masturbated myself and squeezed my thighs together and squirmed against him. I just kept getting hotter and hotter. When he took his hand away my motions slackened slightly. He reached over to the bedside stand and dipped his fingers in the lubricant we sometimes use in our lovemaking. The second the cool greasiness touched my anal opening I automatically clenched the cheeks of my rear and tensed up.

"Easy, easy," Ray urged, letting me become accustomed the odd feeling of coolness against my ass. One finger pressed inward. "Relax," he coaxed gently, kissing my shoulder and touching my legs with his as I lay there on my side.

Taking a deep breath, I tried to calm myself. "You will be gentle, won't you?" I asked sheepishly.

Ray leaned over me and our mouths met in a deep kiss. As our tongues touched he increased the pressure of his finger. He slipped his other hand under my body so he could take my breast in his hand and massage the tender nipple, giving me incredible sensations. The wetness between my legs flowed like a fountain.

With an ease and smoothness that surprised me, Ray pushed his finger into me quickly. I groaned from the intrusion and he kissed me more deeply, our mouths hungry for each other's lips. He stroked my breast while he worked a finger into my ass.

The sensations amazed me, smooth and sexy and exhilarating. My sphincter muscle was clamped around his finger rather tightly and it was a few moments before I could get my brain to send the message to my ass to relax. But slowly I did, not tensing my buttocks anymore but letting go and accepting—not fighting—the sensation of intrusion; accepting it as a loving caress.

"Yes, that's it," Ray said. "I can feel you relax. Keep yourself that way, baby. That's the way to enjoy it. We can both get pleasure if you learn to relax."

Breathing quietly and shallowly, I let my body acustom itself to this new feeling. A low pleasurable groan came from my throat as Ray smoothly withdrew his finger almost completely and pushed it back in all the way. I couldn't believe how pleasurable it felt. He repeated the motion and I moaned again in rapture, gritting my teeth as he withdrew his finger and then impaled me again, as my muscles loosened. He did it again and I whimpered with satisfaction.

Suddenly Ray had another finger in me as well, both of them invading easily. In a few moments his hand was moving rapidly, the two fingers coming in swiftly, again and again, sending soft delirious warmth through me as my body enjoyed this new thrill.

I gasped in astonishment when Ray twirled his fingers around inside me. I almost came right then, so new and unbelievably sensual was the feeling.

He withdrew his fingers completely and left me panting on my side. In the silence I could hear the erotic sounds of Ray lubricating his stiff cock. My breathing got heavier, just thinking of what was going to happen. So did his.

Guiding himself with his hand, Ray carefully positioned the head of his hard dick against my asshole. I lay still, waiting for it; eager for it. He wiped his hand off and held my hip, then he pushed forward with his pelvis, telling me to relax and enjoy.

The slick head of his cock spread my ass cheeks apart and pressed up against the natural resistance of the sphincter. This time the coolness of his fingers was replaced by the hot flesh of his cock, hard and demanding.

With determined concentration I managed to relax just enough; I could feel him entering me, the head of his hot rod spearing me. He seemed so big from behind and so warm. The slick greasiness helped ease the way initially, but my ass muscles tightened instinctively and Ray had to wait a few moments before I could get accustomed to the erotic impalement.

I gasped when Ray managed to go all the way in. I could feel his pubic bone rubbing against my ass. Nothing so sexy had come my way in ages and I was so happy to be able to take Ray that way; proud of his love and gentleness, and proud of myself too for daring to experience something so new and so exciting.

My muscles were completely relaxed with Ray inside me. He remained still, letting me grow used to the new sensations that were shooting through my body. I clenched my ass muscles as tight as I could around his cock. He groaned in ecstasy. "I never knew an ass could feel so good," he gasped, and slowly he withdrew a few inches, only to ease back in, pushing into me slowly, the big head of his cock making me shiver.

I could see how anal sex could hurt if someone wasn't loving and careful. It felt so good though, as Ray eased in and out a little more quickly, both of us thrilled as his hot cock slid in fast and out slowly, turning me on more and more as the tempo picked up.

Soon Ray was pumping in and out of my ass furiously, our bodies slithering in unison. I accepted him happily, taking him as never before, grinding my hips and learning to love the thickness and length of his

cock, gasping and moaning as he drove in and out.

He stiffened his entire body and thrust deeply inward, ramming into me and then tensing. When he came I couldn't feel it at first. But he bucked against me and let out a moan of fulfillment, pumping against me and then freezing in delight. His cum slowly oozed inside me. As he collapsed against my back, his cum draining into me, his stiffness faded and he murmured in delirium. We shared the quiet union of his orgasm while nestled against each other on our sides, savoring the heights we had reached with our new sexual experience.

We don't engage in anal sex as frequently as some of our other lovemaking techniques, but when we do it's beautiful and the pleasure we share is so intimate and intense that just thinking about it turns me on.

Ray always starts by stroking and fondling my body exquisitely, meeting my eager mouth with deep passionate kisses as his hands explore the flesh of my thighs, stomach, tits and nipples. As I run my hands over his body, cherishing his strength, he strokes my damp sex.

On our big king-sized bed we like to kneel upright in front of each other, touching, kissing, in flaming lust. In a large mirror over the bed our erotic motions are beautifully recorded. It doesn't take long before we're both craving fulfillment, and Ray likes to tum me around so that we both can watch the sexy actions.

"You should always watch how hot you get when I fuck your ass," he likes to say. Willingly, I comply,

savoring the erotic drama that unfolds so beautifully before me in the mirror.

I steady myself. Ray runs his left hand down the front of my belly, toying with my bare pussy and running the side of his hand across my clit. His other hand cups my ass, then his fingers, coated with lubricant, find my winking asshole and nudge against me gently, enticingly.

With a smooth and easy effort two of his fingers enter my ass, first one, and then the other, sliding deeply and cleanly in. Ray loves to play with the folds of my cunt with his other hand, parting me gingerly and entering me with two fingers. The twin sensations are so pleasurable I can barely keep kneeling upright and have to lean back against him for support. It's all so gentle, so natural, so sensual that when I see myself through half-closed eyelids in the mirror I get even more turned on just by my own image.

Ray sets up a slow fingling motion, pushing into me in front with his fingers as he withdraws his other fingers from my ass, then repeating the movements in reverse. I feel his pulsating, sawing rhythm raising my lust to a fever pitch.

When I'm almost ready to come he relaxes his motions, holding me still with two fingers in my cunt. He coats his stiff cock with lubricant, positions the warmth of its head against my puckered pink anus and slowly, lovingly but insistently guides himself in. He skewers me as my muscles tense with the invasion, but then I relax and accept him.

As soon as he's all the way in we can't help pausing to enjoy the eroticism of the moment. In the mirror we can see our image: Both of us upright on our knees, square to the mirror with me in front, Ray's one hand toying with my pussy, his fingers gleaming from the flow of my juices, his other hand holding tight.

The first withdrawal of his cock makes me pitch forward slightly. With the following thrust I brace myself against him, loving the penetration, taking the next thrust and the next, moaning as he holds me steady and drives into-me. He takes me fully, his fingers exploring my cunt in front, parting my cunt lips and pressing his thumbs against my clit.

I scream as the mirror reflects my fever-pitched climax. I rock with my orgasm for a few moments until Ray pushes all the way into me and comes with a grunt. The mirror reflects our bodies entwined in a bond of sensual delight, our skin faintly glowing from our erotic efforts and mutual completion.

Ever since Ray introduced me to the pleasures of anal sex, loving me enough to be patient and caring, our sex life has improved dramatically. It took the love of another to urge me past the foolish inhibitions that kept me from complete erotic fulfillment. Now I am free to indulge all my lusty desires.

# EMMA

just got back from a month in Los Angeles, and it was great. A little hot and a lot of traffic, but I loved it. This photo shoot is one of my favorites. I get to be treated like a princess with sexy lingerie and marvelous hair and make up. It was easy for me to get into the mood and spread my legs for the camera – and you.

## BLAKE & ABBY

Classes had just started and already these two lovelies needed to take a break from their studies. Drop the books, drop the clothes, and drop the inhibitions. That's what college is all about. With firm beautiful breasts and warm wet pussies, it's easy to understand why they didn't make their classes the next day.

### PURE VENOM

After my last breakup, I was a bit of a mess. But it turned out that a decision to go out would be one of the best I'd ever made. A buddy called in a favor to get my name on the club's list, so I bypassed most of the line with more than a few glares following me, including a particularly fiery brunette 30-something who seemed like someone who wasn't used to losing. She glared at everyone who passed by, but she seemed to hold extra venom for me.

Once I was inside, I felt the pounding music and flashing lights disorient my senses. I felt my way towards the bar, my hands "accidentally" brushing against asses and breasts all along the way. The rush was already almost too much. I regathered myself at the bar, and after finishing whichever drink they threw at me, I headed out to the dance floor and allowed the music to take me.

The pounding beats took me right to her; the one from outside. I crashed right into her. Then, when I tried to keep myself from falling over, I grabbed her dress at the top of her chest. Even though I let go and apologized right away, she looked like she wanted to eat me alive.

That's basically what she did.

She tilted her head towards the bar and had me pay for a pair of drinks as an apology. Then, she squeezed my ass in a way that would make me do anything and pushed me back to the floor, pressing her tight body against my back. I let myself fall into the night, enjoying several more drinks, the woman a constant presence, always pushing tight

against my body.

After a few rounds, she grabbed my hand and took me across the street to her hotel. She didn't even wait until the elevator door closed before she slid her body out of her dress, leaving her in lace, chocolate-brown lingerie. She pressed me back against the elevator wall and shoved her tongue down my throat. By then, I wasn't able (or really willing) to put up much of a fight, and just to reiterate, she tightened her grip with every move I made.

When the door opened to her floor, she strode out in her underwear like it was nothing, leaving me to follow. She was at the end of the hall, and I barely remembered to follow before the elevator door closed. When I got inside, she already had her bra off, her back to me as she gazed over her shoulder with that same venom from earlier.

I tried to say something but couldn't find my voice as she turned around to let her large melons fall in front of me, the bulge in my pants quickly betraying me. I crossed the room, and she pulled me close, telling me to strip for her. After a lingering kiss, she pushed me away and sat back on the edge of the bed, legs spread wide as she let her fingers drift down past her waistband.

She turned on some heavy music, and I started to move

SHE CHEERED ME ON BY REACHING AROUND TO GRAB MY TURGID THROBBING COCK.

as best I could, getting into the rhythm quickly while pulling off my clothes. It wasn't long before I was down to my underwear that wasn't able to contain my engorged cock. At her beckoning, I danced over and straddled her lap. She pinched at my nipples and pulled my underwear back to peek before letting it snap back. With a slap on the ass, she turned me around, and demanded that I start dancing across her crotch. She cheered me on by reaching around to grab my turgid throbbing cock.

BLAIR-NTS-10

When she pulled me back around, she had already removed her panties and was tugging me toward her wet, ready cunt.

It was the first time she let me take any control all night, and I was determined not to waste it. I followed her moans and screams and picked up speed. My balls slapped hard against her ass, and I pulled her legs up for support. She kept wanting more, harder, faster. It didn't take long given how much she had egged me on all night. And now, each call pushed me further and closer. It wasn't long before I let out a final grunt and erupted, spilling my juice deep inside before collapsing beside her. After I was done, she gave me long enough to get my stuff before demanding that I leave. I don't know if I'll see her again, but I'll always have the memory of the experience that finally helped me move on.

– Kyle H., Ames, IA

### SHE WANTS BUTT SEX

I turned 24 a couple months ago and discovered my wife was already cheating on me. I dropped her as fast as I could and have found this wonderfully weird lady on the rebound when I was trying to drown my sorrow at the local country bar. I didn't usually go there but it was an easy drive, just in case.

My ex was very conservative and we fucked mostly in the missionary position. That is – when we did fuck. She rarely went down on me and even more rarely let me go down on her. So perhaps our splitting has turned out to be a good thing.

My new lady, however, is very experienced and sometimes a bit too aggressive. Now, that's not what I was used to. She has sucked me for hours until I thought the skin on my cock was

going to come off. We screw in every position imaginable, but here's the thing: she wants – anal sex! And I've never done it. She says it makes her cum more intensely and is kinda turned on by my anal virginity. She says she's learned that couples who do it have a much calmer and positive relationship than those that are more uptight about it. I probably would agree since it makes me uptight.

She tells me that when her anus is stimulated, it has its own singular sensations. While they

are sexual and pleasurable, they are often more intense because that area will not be stimulated as often as the vaginal area. She says when she orgasms anally, she enjoys it immensely.

I guess I'm ready to try it with her, but I just needed to vent here just a little since this is a subject you just can't talk to anyone about. I probably won't send this letter if I don't do it with her. But then I might send it if I do. Then I can tell you, and me, what it was really like.

– Luke P., Toledo, OH

**W**e think it's pretty obvious... We've been good friends – and lovers – for a long time. We knew each other in college, but it was only a year later when we started seeing one another sexually. **L**ast week I was at the office when I noticed this good-looking guy checking me out, but he was taking too long to talk to me. I cornered him in his office space, stripped down to my sexy undies, and went straight for his dick and pulled it out. I was surprised how hard it was, and how perfectly it fit into my ass!
